We remain central to the small business recovery and restart here in Wisconsin by supporting micro and small businesses in our local communities and throughout the state – those creating jobs and employment while providing needed products and services.

We are currently recruiting for an individual to support our mission in the following capacity.

At least 5 years solid work experience in business banking, mortgage loan officer, and/or underwriting, strong analytical and organization skills, the ability to multitask and meet deadlines and strong communication skills are required. Must have valid drivers license and proof of insurance as position requires local travel. Experience in small business financing or community development lending is preferred.
