IN-PERSON TRAININGS

Sessions take place at WWBIC Madison

So You Want to Start a Business
Tuesday, November 10, 9am-12 pm
Connect with a business professional who can answer your questions, share guidance, and help you explore your next steps. This is an opportunity to get personalized support and connect with valuable resources.

Four-Week Business Plan Workshop Series
Starts Tuesday, November 10, 5:30-7:30 pm
Over just four weeks, you will gain the essential skills to develop and complete a professional business plan that sets the foundation for a successful business. $115 fee (Need-based scholarships available; contact WWBIC for more details)

Think Tank with SBA Resource Partners
Thursday, November 19, 11am-12 pm
During this session, representatives from each organization will briefly share an overview of their services and resources designed to help entrepreneurs succeed. The discussion will then transition into a conversational, think-tank style exchange with professionals from SCORE, SBDC, and WWBIC.

ONLINE TRAININGS

All online sessions take place on Zoom. Pre-registration is required.

Using AI to Speed Up Your Marketing
Friday, December 4, 9-11 am
This practical workshop will cover how to prompt AI effectively, add your own voice and perspective, and avoid generic, obviously-AI-generated content that can make your brand feel impersonal. You'll leave with practical AI strategies and prompts you can start using to save time, create faster, and still sound like YOU.

Creating a Plan to Pay Off Your Loan Debt
Friday, December 4, 12-1 pm
Participants will learn how to review their current debts, understand interest rates and monthly payments, set financial goals, and develop a budget that supports debt repayment. By the end of the training, participants will have the knowledge to prioritize their debts, explore repayment strategies, and take practical steps toward becoming debt-free.

AI for Entrepreneurs
Wednesday, December 9, 6-7 pm
In this training, you will gain an understanding of AI, be introduced to AI software such as ChatGPT, and learn how to create a practical and actionable plan for implementing AI in your small business.

Foundations of a Business
Legal Fundamentals for a Small Business
Friday, December 11, 12-1:30 pm
Learn the legal basics of starting and running a small business, including business structures, registration, licensing, contracts, and legal responsibilities to help entrepreneurs build a strong foundation.

Budgeting That Works
Monday, December 14, 12-1 pm
Learning and understanding where you are spending and saving your money is one of the most important things you can do. Creating a budget is your road map to reach your financial goals! Join us to learn how to spend within your means and create savings goals.

Business Plan Review Lab
Wednesday, December 16, 6-8 pm
At this event, you'll be paired with a seasoned business expert who will review your business plan, provide tailored feedback, and map out actionable next steps. To ensure you get the most out of the session, submitting your business plan to WWBIC in advance is required.

Discover Which Business Structure Is Right for You
Friday, December 18, 12-1 pm
Selecting the type of legal structure for your company can be complicated. This training goes over all business structures including LLC, Partnerships, and Sole Proprietorship. Find out which structure is right for your business and the steps to take to become a legal business entity.
